The Brandon Lodge supports our local community by supporting the Brandon Emergency Care Help Organization (ECHO). We have a teenager of the Month, during the School Year, providing them with Savings Bonds to help in their college education. We currently have an Adopt-A-Vet program to benefit the veterans in the James A Haley Hospital as well as Liberty Manor in Tampa, Florida. The first Wednesday of every month a free dinner is provided to these vets in our lodge. Every Sunday in February, we transport the Veterans to Chapel. In December, we adopt families that would not have a Christmas without our assistance. Along with our local charities, we also support Elks Florida State charities which includes Children's Therapy services, the Youth Camp in Umatilla, and Veterans affairs.
